

Otter Creek Kids' Consignment Sale Agreement Spring 2010

- All accepted clothing must be seasonal, high-quality, current, and free from rips, stains, holes, or tears. All other items must be clean with all parts and in good, working condition. *Otter Creek Consignment Sale* reserves the right to refuse any item.
- No items currently on the *U.S. Consumer Product Safety* recall list will knowingly be accepted. By submitting your items to us, you are acknowledging that you have checked to see that no items are in violation. *Otter Creek Consignment Sale* is not responsible for any items that are subject to a manufacturer recall. We will screen all items received carefully and trust that each consignor has verified their items according to CPSC guidelines.
- All consignors will pay a \$5.00 consignor fee to help with advertising and supply costs. This will automatically be deducted from the consignor's profit and reflected in the consignor's check.
- Any items not picked up on Sunday, March 7th, 2009, by 4:00 p.m. will be considered the property of *Otter Creek Consignment Sale* unless previous arrangements have been made and agreed upon. Remaining items will be used for charitable purposes.
- Any checks not picked up on Sunday, March 7th, 2009, by 4:00 p.m. will be left in the church office for one week. Any consignor who wishes to have his/her checks mailed may bring a self-addressed stamped envelope for us when they drop off their items.
- Payment to consignors will be a 70/30 split-- unless a larger portion has been given voluntarily by the consignor. All payments to consignors will be distributed at pick-up on Sunday, March 7th, 2009, after 1:00 p.m. All remaining checks will be available in the church office for one week.
- *Otter Creek Consignment Sale* will not be held responsible for any lost, stolen, or damaged items, and by willingly submitting items into the sale, the consignor acknowledges the risks involved.
- All accepted items must be correctly tagged according to *Otter Creek Consignment Sale* specifications. It is the consignor's responsibility to insure that his/her tags are marked clearly and correctly according to the *Otter Creek Consignment Sale* specifications. *Otter Creek Consignment Sale* is not responsible if an item is sold for a price unintended by the seller as the result of an unclear or incorrectly marked tag.
- If a consignor submits an item with a tag without a stated price, *Otter Creek Consignment Sale* reserves the right to reasonably price the item for the consignor at our discretion.
- Only tags clearly marked with a red "ND" or a "red dot" will be exempt from selling at half-price on Saturday. All other items will be sold at half-price. It is up to the consignor to insure that the half-price information on the tags is marked clearly and correctly.
- *Otter Creek Consignment Sale* will not sell or price items with missing tags. Those items without tags will be added to the "Lost and Found." It is up to the consignor to check for any of his/her items that might have been placed there.

Consignor agrees to the above and accepts these terms by signing below:

Name: _____ Consignor Number: _____

DONATE my remaining items. **I WILL PICK UP** my remaining items.

My remaining **items will be picked up by** _____.
(person other than yourself if you are not able)
